Accessing Amazon Business

How do I access my Amazon Business account?

BP Corporate must invite you to join the central Amazon Business account. Once invited, you will receive a welcome email to join (see below). Register by clicking the link Sign In button. Note, if you are signed into any other Amazon account on your default web browser, you will need to sign out *before* clicking the link.

- Invitations were sent to your newly assigned 'bpbetter.com' email domain.

Step-By-Step Instructions

- Open the welcome email that you received from Amazon with your personalized invitation registration link (mobile friendly)
Subject Line: Join Your Amazon Business account for BP America Inc.
- Click the yellow [Sign In button](#)
- Follow the instructions to register

What if I haven't received an invitation?

Be sure to check your spam or deleted email folders. The registration email is sent directly from Amazon.com (noreply@amazon.com). If you did not receive the email invitation, please reach out to Tessy.Tuschen@bp.com.
