

## CLEAN HARBORS SITE CLEANING AND DECONTAMINATION OFFER

As a supplement to the cleaning and disinfection recommendations already provided, BP has partnered with Clean Harbors, Inc., the largest emergency response provider in the U.S., to offer BP and Amoco sites Coronavirus (COVID-19) **decontamination and disposal services** at a discounted rate.

Clean Harbors crews routinely perform the following types of services:

- Hazardous and Infectious Waste Management
- Waste Disposal Services
- Contaminated Site Cleanup
- Emergency and After-Hours Response

100% Co-Op  
Eligible

**This offer is valid for BP and Amoco sites only. Pricing will vary per site (cost for an average site is approximately \$2,500). Details and specific pricing and services can be found by contacting Clean Harbors and mentioning “BP RESPONSE”.**

For more information and to set up an appointment:  
Call the **Coronavirus Hotline: 855-487-7221** (toll free)  
Email: [deconservices@cleanharbors.com](mailto:deconservices@cleanharbors.com)  
Mention **“BP RESPONSE”** in order to receive the BP rate
